## **5 REASONS WHY MEASURE PPL IS BAD FOR POMONA!**

1. Library hours increased in the last 2 years!
2. The City budget increased last year by about 7% to over \$87 million.
3. It's bad policy to increase taxes on residents when revenues are increasing!
4. Voters rejected Measure X already, which was ANOTHER ballot measure to increase taxes!
5. Enough is enough when it comes to new taxes!
