PROTECT LOS ANGELES

Vote **YES** on Proposition

Vote **YES** on Proposition

"Cuts to fire, police and paramedic services are not an option if we want to maintain the current level of protection for our neighborhoods and families. We urge you to protect our firefighters, police officers, paramedics and vital City services – **Vote YES on Proposition A.**"

—**Los Angeles Police Protective League**
(representing 10,000 police officers in Los Angeles)

For about the price of one store-bought cup of coffee each month, Proposition A will help restore balance to the City's budget. With 70% of the general fund going to support public safety, Prop A will help prevent the reduction in size of our Fire Department, prevent increased "911 emergency" response times, stop the closure of neighborhood fire stations on a rotating basis, and **ENSURE THAT LAPD IS NOT REDUCED BY 500 POLICE OFFICERS.**

Proposition A revenues will go directly to making our communities safer by preventing devastating cuts, many of which are already proposed:¹

- Reducing LAPD by 500 officers
- Reducing or eliminating gang reduction funding
- Reducing or eliminating graffiti removal
- Long delays for DNA analysis for criminal investigations

¹ Santana, Miguel. *City at a Crossroads*. Los Angeles: Los Angeles City Administrative Officer, 2013.
